SUMMARY OF MATERIAL MODIFICATIONS

The purpose of this Summary of Material Modifications is to inform you of changes that have been made to the <Name of Plan>

You may receive a coronavirus-related distribution if you satisfy one of the following reasons:

- You are diagnosed with the virus SARS-CoV-2 or with coronavirus disease 2019 (COVID-19) by a test approved by the Centers for Disease Control and Prevention;
- Your spouse or a dependent (as defined in Code section 152) is diagnosed with such virus or disease by a test approved by the Centers for Disease Control and Prevention; or
- You have experienced adverse financial consequences as a result of being quarantined, being furloughed or laid off or having work hours reduced due to such virus or disease, being unable to work due to lack of child care due to such virus or disease, closing or reducing hours of a business owned or operated by you due to such virus or disease, or other factors as determined by the Secretary of the Treasury (or the Secretary's delegate).

If you satisfy one of the following reasons above, the following conditions exist:

- The maximum amount you can request is the lesser of: (i) the balance of your vested Account; or (ii) $100,000. The $100,000 limit is determined by aggregating all coronavirus-related distributions from any plan maintained by your employer and any member of any controlled group which includes your employer.
- The distribution request must be sent in time for the payment to be processed by 12/31/2020.
- A flat 10% withholding rate will be applied to the taxable amount unless you choose not to have federal income tax withheld.
- If applicable, you are exempt from the normal 10% early withdrawal penalty for this distribution.
- You must include the distribution amount as taxable income. However, you can report it as income either in the year received or equally over a three-year period. In addition, part or all of this distribution can be repaid to a qualified retirement plan or IRA within three years of receiving the distribution. Amounts that are repaid are treated as a trustee-to-trustee rollover (as if they were made directly from one financial institution to another, otherwise individuals might violate rules on rollovers or contribution limits). You may wish to consult with a professional tax advisor for information about this distribution's special tax treatment.

Please contact your Plan Administrator with any questions or to request a distribution form for a coronavirus-related distribution

SPOUSE'S CONSENT TO DISTRIBUTION

I. NOTICE OF RIGHT TO SURVIVING SPOUSE'S BENEFIT AND IMPACT OF DISTRIBUTION

Under this Plan, the surviving spouse of a deceased, married Participant is generally entitled to a legally-mandated "surviving spouse's benefit". A married Participant cannot take this distribution unless his or her spouse consents because it would reduce the benefit payable on account of the Participant's death. This consent form is not required if the participant is not married at the time the distribution is made.

II. SPOUSE'S CONSENT TO DISTRIBUTION

I hereby consent to my spouse's obtaining a distribution in the amount set for the above. I further acknowledge my understanding that: (1) the effect of my consent is to forego benefits to which I may otherwise be entitled upon my spouse's death, and (2) my consent is irrevocable.
